

A/26 FA Newsletter – April 06

For the month of May, I would like to focus this newsletter article on the Wolf pack 91 Radar Section. The section is made up of the Following personnel. Chief Warrant Officer Two Matthew Yates, Staff Sgt. Rogelio Castro, Sgt. Joshua Miller, Spc. Joshua Hammerslough, Pfc. Clarence Craig, Spc. Christopher Lepant, Pfc. Christopher Clay, Pfc. Jesus Avila and Pfc. Clint Holler make up the mighty 2nd Section.

This radar section has done an outstanding job since the deployment. The members of Wolf pack 91 deployed with the main body of the battery to Kuwait and then completed onward movement to Camp Liberty, Iraq.

Though most of their work keeps them here at Camp Liberty, the members of 2nd Section have completed a number of special missions for the Battery. They have augmented the convoy team and helped conduct missions throughout the Multinational Division. 2nd Section soldiers also have helped to fly critical parts to different locations within our operating area.

Wolf pack 91, as with all the sections here, has gone to great lengths to help improve the area in which we live and work as a section and as a battery.

The 2nd Section site has by far been the most improved. All this to the credit due in large part to Hammerslough. He dedicated a tremendous amount of time to improving the radar site for Wolf pack 91.

From Yates and Castro down to Clay, the entire section has been pumping the iron and hitting the pavement hard. These men no doubt will impress all when they return home, whether during environmental morale leave or when the battery re-deploys.

2nd Section has done quite well for itself as a section and has contributed greatly to the success of the battery. I am honored to serve with each and every one of these Soldiers. They are outstanding professionals and great Soldiers, one and all.

I would also like to take a quick moment to wish family members well as high school graduations are set to kick off and schools let out for the summer. Though we cannot be there to

enjoy the summertime fun, we are there with you in thought and prayer. Congratulations to all the seniors who are about to graduate.

To Avila, who had to re-deploy and is currently at Fort Hood undergoing physical therapy for a broken elbow: You are missed by your section and we hope that you are doing well. We hope you recover quickly and can rejoin the unit soon. Take care and get well. *Wolfpack!*
